Rediscover Whitby at Country Lane

Heathwood Homes is returning to Whitby with the town's first new master-planned community in over a decade. It's called Country Lane and it will be your chance to rediscover Whitby and all it has to offer.

Located at Taunton Road West and Country Lane, this fabulous new community will offer country living and urban convenience. This superb address is close to nature, yet minutes to a wealth of amenities. In fact, it is just one kilometre west of the new Highway 407 connection (which is currently under construction) and will enable quick and easy access to both Highways 401 and 407 – which is very convenient for commuters.

With the Heber Down conservation area just two minutes up the road and great schools, community centres, parks, golf, entertainment, restaurants and more all within minutes, at Country Lane you are close to everything you and your family needs.

If you haven't visited Whitby in a while, now is the time to rediscover this great town, which has evolved tremendously over the past 10 years. As well as ushering in vibrant new shops and services, Whitby has also maintained the heritage flair of its historic downtown, just blocks away.

At the 2014 National Communities in Bloom Awards, Whitby won in the Over 50,000 population category, earning a 5-Bloom rating and special recognition for the Preservation and Relocation of the Circa 1812 Lynde House. It is simply one of the best places to live in the GTA, and once again this year, MoneySense magazine lists the Town as one of the Best Places to Live in Canada.

The first phase of Country Lane will offer luxurious homes on 36- and 45-foot lots. With distinctive brick and stone elevations, modern interior designs, and with all the features and finishes you would expect from Heathwood, Country Lane will indeed be something special.

One of the GTA's top builders,

Heathwood Homes has been bringing communities to life for more than 40 years, and has earned a reputation as a builder with a difference. Unparalleled quality and customer service are standard features that come along with every Heathwood residence.
