## HEATHWOOD HOMES

A true community with a prestigious Mississauga Road address

If you love the convenience of living close to a wide variety of great amenities, Heathwood Homes has the right new community for you.

Located on prestigious Mississauga Road, the new master-planned community of MeadowGreen is situated just minutes from rolling countryside, the banks of the Credit River, and the greens and fairways of Lionhead Golf & Country Club. Within a short drive, residents can also reach the best of Meadowvale's shopping, great schools and recreational facilities. Highways 401 and 407 are conveniently close, and GO Transit and Brampton's new Züm bus

rapid transit system are easily accessible.

To promote a sense of belonging and connect owners to the greater community, Heathwood is making a heartfelt commitment. When you buy a home at MeadowGreen, a Mikey defibrillator will be donated in your name and placed in one of the Peel District's 250 schools through The Mikey Network. Since 2003, 24 people who experienced sudden cardiac arrest have been saved because a Mikey was on hand.

Families in MeadowGreen will enjoy living in a community that carries the cachet of its prominent address. Architecturally controlled exteriors

include clay brick and stone in varying combinations, and each home has a gas rough-in for a barbecue connection. Interiors are graced with (as per plan) nine-foot main-floor ceiling height (up to 11 feet in detached homes), oak stairs, pickets and handrail, oak strip flooring, granite kitchen countertops and a direct-vent gas fireplace.

Heathwood's luxury singles and semi-detached homes at MeadowGreen also feature a fully finished lower level and many of the designs have a second staircase to the basement. Plus, all of these homes are being built to the Heathwood Green Home Energy Program Standard, which goes above and beyond in conservation, efficiency and sustainability.

Townhomes range in size from 1,908 to 2,622 square feet, semi-detached homes from 3,095 to 3,524 square feet, 38-foot detached designs from 3,672 to 4,257 square feet, and 46-foot detached designs from 3,987 to 5,013 square feet. Prices begin from the low \$500,000s.

Also be sure to tour Heathwood's fabulous Rosemary model home. This fully-decorated, 4,257-square-foot home has been decorated and furnished by Gordana Car Interior Design, and is sure to inspire.

Heathwood Homes has been bringing communities to life for more than 40 years, and has earned a reputation as a builder with a difference. At MeadowGreen, you will always feel "Home at Last!"
