*The Enhanced HST Rebate consists of temporary rebate measures established under applicable federal and Ontario legislation and regulations to provide HST relief in respect of certain qualifying purchases of new homes in Ontario (the "Enhanced HST Rebate"). Eligibility depends on the purchaser, the property and the transaction satisfying all applicable requirements, including any applicable primary-place-of-residence requirement. Heathwood Homes does not control the availability, eligibility criteria, rebate amounts, procedure, applications forms or timing of the Enhanced HST Rebate. The purchase prices noted above assume that Purchasers qualify for the Enhanced HST Rebate and assign it to the vendor. If the Enhanced HST Rebate is not successfully assigned to the vendor, then Purchaser shall be responsible for paying the amount of the Enhanced HST Rebate to the Vendor on closing in addition to the purchase price. Purchasers should read the full terms and conditions in their purchase agreement in connection with the purchase price, HST and any applicable Enhanced HST Rebate.
